Subject: Receipt of Fruit Basket

Steve,

I have been advised by Anna from your office to inform you of my receipt of a fruit basket on February 27, from a customer I have been assisting, Rose Gallardo. Ms. Gallardo states that its value is under \$50. I have set the basket out in a public area on the 9th Floor of 121 North LaSalle for the customer's to enjoy.

Thank you,
Laura Harney
